

**LEGAL DOCUMENTS FOR LIFE
(AND DEATH)
SATURDAYS**

NOVEMBER 4th AND 11th, 2017

Need a Will, Power of Attorney, Advanced Directive or other simple legal document, but haven't gotten around to taking care of it yet? If you believe that only the rich who own property or have health issue need the aforementioned documents, think again. If you want to make your final wishes clear, you need all three – a Will, Power of Attorney and Advanced Directive. Most people finish the class with the completed and fully executed documents that they need. With over 40 years of experience as an attorney and more than 25 serving as an AARP attorney, your instructor, Michael S. Richmond Esq., is uniquely qualified to teach this course.

Required: Bring a USB Flash Drive to class. This course will be held on two Saturdays from 9:00 a.m.-3:30 p.m. on November 4 (1/2 hour lunch) and 9 a.m.-1 p.m., on November 11, 2017.

Tuition for this program is \$199, which includes all materials. Registration will be through Middlesex County College at 732-906-2556. Please contact Career Development Institute (CDI) with any additional course content questions that you may have.
